

# Story Tsunami

a wave of storytelling benefit concerts for  
the victims of the tsunami and earthquake

Story Tsunami is an international fundraising effort with the goal of 50 storytelling organizations to raise \$50,000 on behalf of relief agencies doing work in Sumatra, Indonesia, Sri Lanka, India, Thailand, the Maldives, Andaman, and Nicobar Islands, and Somalia. The funds raised will be sent to Oxfam, Mercy Corps, and Save the Children, organizations selected for their accomplishments as cost-effective relief agencies with a long-term commitment to recovery.
